Redwood City's Tax
This is the only town in the county whose tax rate for 1924 is less than for 1923. Redwood's tax rate is reduced 50c on each $100 valuation

VOLUME LXIV., NUMBER 23. REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, SATURDAY, SEPTEMBER 6, 1924. ESTABLISHED 1859

REDWOOD CITY LEADS AGAIN

Tax Rate for City Is Reduced for Coming Year

Redwood City is unique in many respects, it is credited by those who study weather with possessing the best climate in the western hemisphere; it is said to be the fastest growing town in the state; it presents particular advantages to home-seekers which can be equaled nowhere in the world, according to those who have traveled; and now on top of all of its other points of superiority, Redwood City has again taken the lead.

According to figures compiled by County Statistician Ed. Stack, Redwood City is the only town in San Mateo county whose tax rate has not been raised this year. What is more gratifying yet, the tax rate here has been reduced 50c on each $100 valuation The rate for Redwood City for 1923 was 4.876. This has been reduced to 4.337. This looks well for the government of the town . Evidently the peoples' money is being cared for here. The other tax rates in the incorporated towns of the county are as follows for the two years in question:

	1923	1924
San Mateo	4.610	4.783
Burlingame	4.914	5.176
Hillsborough	4.046	4.261
Daly City	4.900	4.729
San Bruno	4.481	4.630
South City	4.025	4.049

APHIDES THREATEN CROPS ON COUNTY COASTSIDE

The following report was filed by County Horticultural Commissioner A. W. Tate. The report indicates the serious ravages made upon the artichoke crop of the county by the aphis, commonly known as the plant louse.

Honorable Board of Supervisors,
San Mateo County:

The outstanding feature of the month has been the severe infestation of artichoke by aphids in the west coast sections. The attacks of this insect have caused a great deal of damage, particularly where there was a lack of available irrigation water. Fields that were plentifully irrigated, while great numbers of aphids may have been present, did not suffer so greatly. Where nico dust was used at the strength recommended, not lass than 3.2 per cent of nicotine sulphate, or what is usually called No. or 8X nico dust, good control was obtained, especially if applied in time. Unfortunately, many growers felt that, due to the limited supply of water, the early crop would be so small that the expense would not be justified, so did not treat their plants.

Total shipments of nursery stock were 73 consisting of 70,073 plants and packages. Of these 52 shipments of 69,623 plants and packages were from California points. Nurseries are beginning to get in their fall stocks of ornamentals, 69,297 of the plants inspected being of this nature.

For foot and mouth disease we have certified, since last report, to 94 1-2 carloads and 34 minor shipments. Of these, there were 67 cars of lettuce, 9 potatoes, 6 horse beans, 6 1-2 cabbage, and 3 of cauliflower, balance miscellaneous.

Respectfully submitted,
A. W. TATE, JR.,
Horticultural Commissioner, San Mateo County.

PLANS PROGRESSING FOR MT. CARMEL FESTIVAL

Arrangements are fast being made for the fair and festival to be held by the ladies of Mt. Carmel parish. The Catholic fair is an annual event and is looked forward to by Catholics and non-Catholics alike as one of the big days of the year. The date set for for the fair this year is October 3 and 4. Arrangements are not complete yet, but will be announced later, according to word received this week.

RADIO

NOW that the vacation time is over and the long winter evenings are fast approaching you will appreciate the excellent entertainment offered by the clear tone of the Colin B. Kennedy Radio Receiving Set.

The broadcasters are constantly arranging new and better programs and predict excellent entertainment for the public this winter.

HALFMOON BAY PIONEER PASSES

Denis Donovan, one of the best known citizens of Halfmoon Bay, passed away Monday at San Mateo. Denis Donovan lived at Halfmoon Bay many years and every man, woman and child knew him, for he drove from farm to farm and bought calves, pigs and poultry which he in turn sold to the butchers of the county. He always had a cheery word and a pleasant smile and was always a welcome visitor.

Besides his widow, he leaves a daughter, Genevieve and two sons, Father James O. Donovan, S.J. of Ona, Spain, and Daniel O. Donovan of Santa Clara, and several sisters and brothers. He was a native of County Cork, Ireland.

The funeral was held from the Catholic church, Halfmoon Bay, Wednesday, where after a requiem mass, the remains were intered in the Halfmoon Bay Catholic cemetery.

Justices to Meet Here Saturday

Justices of the Peace from Santa Clara, Santa Cruz, San Louis Obispo, San Benito, Monterey, Alameda and San Mateo counties will meet her next Saturday for the annual meeting of the Central Coast Counties Association of Justices of the Peace. Many of the justices will be attended by their wives and families and it is estimated that the affair will result in several hundred visitors coming to Redwood City on that date.

Arrangements have been made for a luncheon in the civic auditorium which will be followed by the business of the association. An automobile ride to all points of interest in the county and to Stanford university is planned for the lady members of the party. Arrangements are in the hands of Ray Griffin who is chairman of the committee attending to these details.

YOUNG MAN DIES FROM BLOOD POISON INFECTION

Blood Poisoning resulting from a slight injury to his hand resulted last Friday night in the death of Howard Hines, an employee of the Prat-Low cannery here. Hines was sick only a short time with the malady. The deceased was 22 years of age and is survived by his mother, Mrs. Della Hines of Tulare. The youth was a resident of Tulare and was only working here during the canning season. The body was shipped to Tulare by the Layng and Tinney undertaking company of this city. The funeral services were in the latter city.

COASTSIDE RANCHER DECLARED INCOMPETENT

Suit to determine the competency of Herman J. Butts, prominent coastside rancher and land owner, was tried in the Superior court here Wednesday and Thursday. The suit was filed by his wife, Mrs. Florence Belmont Butts, to have Butts declared competent, as he has been under the guardianship of his sister, Mrs. Annie S. Biehl of Burlingame since he was declared incompetent in 1921.

This is the third time that Butts has been declared incimpetent in the court here. First being declared incompentent several years ago and later restored to competency. In 1921 he was again declared incompetent and has been considered so since that time.

Butts was a third owner of the famous Butts ranch at Purissima, which was recently sold for $350,000.

Harry B. Litzner represented Mrs. Butts in the case, while the defense was represented by Attorney John McCurdy of San Mateo.

The jury chosen to hear the evidence was made up as follows: Anna Cheney, James H. Stubbe, Mary A. Daly, Adelia Vannier, Hugh McCaffrey, Howard B. Woodward, Theresa A. Moore, John D. Daly, Clara Callaghan, Juanita Chubbuck, Ethel D. McElwain and Catherine A. Bain.

FUNERAL SERVICES SATURDAY FOR MRS. LOUISE DOUGHERTY

Funeral services for Mrs. Louise Dougherty, who passed away last Wednesday at her home on Whipple avenue after a long illness, were held Saturday from the parlors of the James Crowe undertaking company.

The funeral was conducted by Rev. E. H. Mofony, pastor of St. Peter's Episcopal church of which the deceased was a member. Interment was in Cypress Lawn cemetery.

Mrs. Doughetry was the mother of Robert E., Percy, Arthur N., and Helen Dougherty. She was the wife of Philip L. Dougherty and the sister of Mrs. W. D. Keith of this city. Other sisters of the deceased are Mrs. Catherine E. Dumars and Miss Mary Innes of New York. A brother, Robert Innes of Dallas, Texas, also survives.

MRS. DOMINICA COFFIORI FILES SUIT FOR DIVORCE

Suit was filed in the Superior court here this week by Mrs. Dominica Coffiori for divorce from Charles Coffiori, local cement contractor. In her petition Mrs. Coffiori seeks title to comunity property and the custody of the minor children. Cruelty is charged as the cause for the action. The Coffiori were married in 1901 and have five children.

Knights of Columbus Carnival

All preparations have been made for holding a Carnival at the Knights of Columbus building on Baldwin avenue in San Mateo from Wednesday to Saturday evenings next, the 10th to the 13th, inclusive.

San Mateo Councils building and the streets adjoining it are being brightened with strings of electric lights, studio lights and colorful decorations. The carnival spirit will manifest itself at once upon approaching the home of the Knights and the revelers will find much to entertain them. In the gymnasium a fine orchestra will provide dance music which wil challenge anyone to resist its appeal.

W. Coleman Hull, Warden of San Mateo Council, chairman of this committee will see that all enjoy themselves. Upstairs in the large salon, Jim McGrath, deputy grand knight, and an active committeeman, will stage a vaudeville show which will vary each evening. One evening will be in charge of the popular singer, Mr. W. J. O'Brien of Redwood City and his entertainers. Another evening, Mr. Worthington of Pacific Studios, will furnish a corps of dancing and singing girls and men.

Miss Helen Robinson of San Mateo is preparing an elaborate program for another night. Talent from San Francisco as well as the peninsula will entertain the public. Other than the dance and vaudeville entertainment, no charge will be made for any of the other features of the carnival, and all are invited to participate. A "Forty-Nine" mining camp with all kinds of old time games will be in charge of Frank Meyers.

The Young Ladies Institute and the Catholic Daughters are vieing with each other as to which will have the most attractive booth, while the Superheterodyne Radio Set wil command its share of attention. The refreshment booth will be in charge of Lou Pollard and his corps of assistants and Lou is some chef.

WOODSIDE NOTES

The Gilman Ayreshire ranch has comenced distribution of its product in Woodside. This ranch is stocked with pure bred Ayreshire cows and the dairy plant is equipped with every mechanical devise suited to the purpose so that every step in the proces of milking, refrigerating and bottling is done by machinery.

Alphonsus O'Neill has returned from the Big Sur with his second buck for the season. His generosity with the meat has caused his friends to wish that the limit kill, for him, might be extended.

An effort is being made to organize an orchestra among the boys and girls of Woodside. It is known that there are a number of stray musical instruments in the community. It is believed that there is some stray talent. It is hoped that if the talent and the instruments can be brought together it will result in greater harmony in the neighborhood.

The house being built by John Volpiano on his property on the Canyada road is nearing completion. Antoher coat of paint and it will be ready for occupancy.

William Russell Wilson, the three-months son of Fred Wilson, who has been ailing from birth and has been cared for at a Palo Alto hospital, is about to undergo an operation which the doctors promise will make him as well and sound a child of that age should be.

James Neuman, Jr., suffered a painful accident on Tuesday in playing, he fell and cut his wrist badly on a piece of jagged glass. After the doctor had sewed and bandaged him up, James courageously returned to school.

Dr. Bradford Leavitt has just returned from a three months' visit to he countries of central Europe.

As the end of the season approaches, the members of the Family Club seem the more determined to take advantage of the opportunities of the Farm. During the last few days they have been arriving in increasing numbers to get their last taste for this year, of country life.

Mrs. Fred Mighall gave a luncheon on Friday to ten of her friends from Redwood City and Woodside.

Mrs. Paul Fay gave a luncheon last Friday at her home here when she entertained a group of the younger married set from San Francisco. Mr. and Mrs. Fay and their children have spent most of the summer here and will not return to their town home till the first of October.

GIRL HAS LEG BROKEN NEAR RAILROAD TRACK

Struck by an automobile on Broadway near the S. P. station just after she had alighted from the train, Catherine Armstrong, 12-old-old daughter of Andrew Armstrong of Burlingame, suffered a broken leg and severe bruises last Wednesday morning. The driver of the car which struck the little girl was Wells H. Newland, a representative of the firm of Weeden & Co., bond brokers of San Francisco.

The girl, who is a student at the academy of Notre Dame, had just alighted from the train and ran in front of the car. The accident is said by spectators to have bee unavoidable. Dr. Clattenberg was summoned and after giving first aid to the girl took her to the community hospital.

The wedding was solmenized at the home of the bride's sister, Mrs. Alfred Oyster. The Stevers formerly occupied the Goodwin place at the end of Roosevelt avenue.

LOCAL MAN WEDS SAN FRANCISCO GIRL

Howard Kentfield, brother of John Kentfield of this city and son of the late E. E. Kentfield who formerly owned nearly all of the property bordernig on the northern side of the Woodside road, near Redwood City, was married last Saturday to Miss Katherine Luke of 696 Seventeenth avenue, San Francisco. The wedding took place in San Francisco at high noon.

The newlyweds left on a motor honeymoon and on returning will live at apartments on Octavia and Sacramento streets.

The bride is a Denver girl, who came west with her parents three years ago. She was educated in Washington.

Kentfield is well known here, having lived here frequently with his brother. He now makes his rome in San Francisco. Mr. Kentfield is cashier of the West Berkeley bank.

MRS. CURRIE ENTERTAINS

Mrs. R. J. Currie, wife of Rev. R. J Currie of the Congregational church, entertained a number of her friends at her home on Arlington avenue. The affair was in honor of Mrs. Ingland of Wyandotte, Michigan, who is visiting the Curries here. The following ladies were invited: Mesdames Franklin Swart, Caswell D. Swett, Earl Whitehead, F. R. Ridell, Donald W. Williams, E. D. Kenrick, C. H. Stevens and Will H. Doxsee and Miss Maude Kenrick.

BURGLAR ATTEMPTS ROBBERY OF GEORGE C. ROSS HOME

An attempt was made to burglar ize the San Mateo home of George C. Ross, local attorney, but without effect. This is the seventh time within the past seven years tha the home of Mr. Ross has been entered by burglars, but so far none of the attempts have been carried to a successful finish.

The person who attempted to relieve the local attorney of his valuables this time was evidently frightened away by the noise he occasioned when he tipped a porcelain fern dish over. The family, hearing the noise went to see what caused it, and found the window pried open and a chisel which had been used a "jimmy" laying on the window sill.

HAVE TOURED EUROPE

Mrs. Henry Steinberger received a telegram from Boston Monday that her daughter and husband, Dr. and Mrs. John Cook had arrived in the United States and would be here sometime next week.

The Cooks left their home in Los Angeles early in June and went to Europe where they have visited all of the principal places of interest and also spent time at several universities. After remaining here for a few days the Cooks will go to Los Angeles, where Dr. Cook will resume his work as professor of English at the University of Southern California.

Mrs. Graham Addresses Kiwanians

Mrs. D. W. Graham addressed the members of the Redwood City Kiwanis Club last Tuesday on the needs of the San Mateo County Tuberculosis Association and on the work which the association has already accomplished in the county. Mrs. Graham thanked the club for the aid which it had already given to the association in its campaign to help in the eradication of tuberculosis.

At Tuesday's meeting also plans were outlined by Clarence M. Doxsee for the charter night entertainment which is to occur on September 20. All the details attendant upon this affair which promises to be an event of state-wide interest had been considered in Mr. Doxsee's report as chairman of the committee for making arrangements.

Mason Schlosser, an official of the Pacific Portland Cement Company, who was in town on business Tuesday, was present as a visitor to the club and told of the manner in which charter night was arranged by the San Jose club.

The Kiwanis Club has become one of the most valuable assets to Redwood City and is doing more for the improvement of conditions of the town than is generally recognized on the outside. The motto of the club is "We Build," and constructive work is the object of each club and each member. As C. Pinkney Jones of Scranton, Pennsylvania expresses it:

"Kiwanis is an organization of virile, progressive, right-thinking broadminded business and professional men. Its membership is formed by the careful and discriminating selection of the most representative men in their particular calling—men, who by virtue of their God-given talents can be relied upon to cheerfully co-operate with their fellow members in actively supporting the Kiwanis movement in its steady, unfaltering march toward the attainment of its high ideals.

"Kiwanis is the practical application of the principle of the Golden Rule to our modern everyday life. The participation in its activities has a pronounced effect upon each every one of its members from the time they are first iniated. It penetrates the veneer and reaches down into the real inner nature of the man. It appeals to his noblest impulses. It inspires self-confidence and reliance in ones ability to battle courageously and successfully in the cause of the world-wide moral uplift. It develops the latent talents by its stirring appeal for efficiency. It harnesses the restive streams of nervous energy, directing this mighty force into useful and far reaching channels."

DRIVER OF DEATH CAR HELD IN JAIL HERE

Arrested on a charge of manslaughter following an automobile accident Tuesday at Leipsig crossing in the northern end of the county, George Antella is held in the county jail here in default of $1,000 cash bail set by the court.

The accident in which Antella's car crashed into one driven by Dan P. Conneley of the San Francisco fire department, resulting in the instant death of the two-year-old child of the Conneleys. Mrs. Connelley and a five-year-old child were also in the machine but were not injured.

When arrested, Antella, who is a sheet metal worker of San Francisco, denied that he had been drinking prior to the accident. He stated that an unaccountable fit of blindness caused his car to swerve. The Connelleys say that the car was swerving from one side of the road to the other for some distance before the accident occured.

FUGITIVE FROM JUSTICE NAMED IN DIVORCE SUIT

Charging that her husband is a fugitive from justice, Mrs. Bertha M. Wenk of Burlingame this week filed suit for divorce from E. E. Wenk, formerly a business man of that place. Mrs. Wenk charges that her husband is sought for embezzlement of $3000 and that his whereabouts are unkonwn.

The couple were married in Indiana in 1917 and have one child. The plaintiff asks title to the community property and $150 per month for the support of herself and child.

MRS. MARIE CARR WEDS MANAGER CEMENT WORKS

Mrs. Marie Carr, formerly of Palo Alto, surprised her many friends here two weeks ago by getting married at Santa Cruz to James J. Page, assistant manager of the New York Foundation Company which has just finished the construction of the cement works here. Mrs. Page is the sister of Lawrence and Charles Heiner and Mrs. Fred Chilcott of this city, and was formerly Marie Heiner. Mr. Page is from Boston. They have kept their marriage a secret until the early part of this week when it was announced.

Mr. and Mrs. S. D. Woods are expecting to leave today for a motor trip to Lake Tahoe. They will remain for several days at Fallen Leaf Lodge, one of the attractive resorts on the lake.

BROTHER OF A. D. WALSH VISITING HERE

Major General Robert Douglas Walsh, brother of A. D. Walsh, local realtor, accompanied by Mrs. Walsh is visiting his brother here this week. Major General Walsh is a retired army officer and makes his home in Washington, D. C., where his son is connected with the avaiation division of the U. S. army. During the great war, Major General Walsh was in active service in France and was in charge of the American station at Bordeaux, where a great many of the American boys landed during the struggle.

As a boy the major lived here in Redwood City and attended the schools here up to the time of his appointment to West Point in 1878. Since graduation from that institution he has often visited here and has never lost interest in his former home.

Hold-up Gang Broken by Officers

What appears to be a robber gang, resopnsible for crimes throughout the nation, was unearthed this week by arrests made in this county and San Francisco. Two men are now held in the jail here and four are safely incarcerated in San Francisco. Three others are being sought and may be in the toils of the law before this issue is on the street.

The two men held here are Hans Peterson, who goes by the conomen of "Red Pete' among the members of the gang, and Otto Derpund, alias Otto Brown. These men are being held for complicity in the robery of the Williamson store at Pescadero recently.

Those who are bing held by San Francisco authorities are Marion Neuman, alias "Midnight," Frank Ramers, alias "Sunshine," Nicholas Haas, alias "Gold Tooth," and Charles Schultz, known as "Mutt."

Three others, believed to be leaders of the gang are now being sought. The three are known in Chicago, where they have criminal recrods. They are Herman Zimmers, known as "Tree Top," Fritz Bloom, alias "Stump," and Hans Strunke, known as the "Crown Printz."

The gang, it is believed, is from Germany, and are thought to have worked their way across the continent by robing country stores, upon which they seem to specialize. No reports of robberies committed in large cities have been heard.

COURT SCORES RUFFIAN FOR BEATING WOMAN

Charged with disturbing the peace as the result of an accident which occured at Atherton Saturday night, J. Sandas, a young window washer of San Francisco, appeared in the court of Justice of the Peace Ray Griffin Wednesday and plead guilty to the charge. Another charge, that of battery still stands against Sandas. To this he plead not guilty.

The battery charge grew out of an attack made upon Mrs. J. H. Cooper of San Francisco after a car in which Sandas and several companions were riding crashed into the car driven by Cooper and occupied by his wife and their baby. Mrs. Cooper, with the infant in her arms was badly beaten by the ruffians, and Cooper was also severely beaten when he attempted to save his wife from the attack.

Sandas was arrested, together with Frank Nunez, one of his companions, by Traffic Officer James Logan and Chester Kreiss.

When sentencing him for six months in jail on the charge of disturbing the peace, Judge Griffin delivered a scathing lecture to the culprit, in which he stated that he wished that the law allowed him to impose a heavier sentence. The two will stand trial on the battery charge in the near future.

A knowledge of child psychology is all right, but it doesn't replace the woodshed.

STREET WORK OCCUPIES BOARD

Paving of Streets and Highway Considered

The matter of paving several streets in the vicinity of the old jail was again before the board of trustees at their meeting last Tuesday evening. The matter was brought to the front by a number of property owners who appeared to protest against the plans which had been adopted for paving the streets in question with an asphaltic concrete surface. The cost of such a street would be too high, the property owners objected and broubht with them Mason Schlosser, an official of the Pacific Portland Cement Company, who presented plans for a less expensive type of paving. Schlosser's plans call for a five inch finish of cement laid upon a four inch gravel base. The cost of this type of paving would be considerably less than that of the type considered.

A number of the interested property owners expressed themselves in favor of this type of street and following a favorable report from City Engineer Dimmitt, the board moved to drop the former plans and have specifications prepared for the cement finish.

A claim of Gordon Rowe for auditing the books of the town was turned down by the board despite arguments adduced by a member of the firm who was present at the meeting. The board contended that the books were to have been audited to July 1. Rowe stated that the firm had only contracted to audit the books to March 1. A rather heated argument ensued during which the board took a firm stand and refused to change their attitude. The claim wes rejected.

The matter of improving the highway was taken under consideration after Chairman Beeger announced that he had been approached by Supervisor MacBain in the matter and that he understood it to be MacBain's intention to have the entire highway through Redwood City given a surface of asphaltic concrete, provided that the city would pay for laying the concrete shoulders from the present edge of the paving to the curb. This would give Redwood City a curb to curb boulevard such as is now boasted by San Mateo and Burlingame. This would be secured by the city at a small portion of what it would cost if the whole burden of the work were upon the taxpayers of the town. The matter was referred to Beeger, who is to make further arrangements with MacBain and report at a future meeting.

The question of Defense Test Day was brought before the board by a letter from the state adjutant general, and the board expressed themselves as heartily in favor of the plans and placed the mater in the hands of the local post of the American Legion.

An ordinance which regulates the starting here of any home for the aged or similar institution was given its last reading Tuesday and passed. Another ordinance regulating the hauling or piling of sawdust was presented to the board by City Attorney Mansfeild and given its first reading.

Fire Chief Mark Ryan was authorized by the board to secure and install a convenient locker in the fire house. The cost is not to be more than $100.

RETURN FROM VACATION

Mr. and Mrs. Dave L. Walter returned this week from a camping and fishing trip through Humboldt and Del Norte counties, visiting the Klamath and Eel rivers. Most of their time was spent at the Weymouth Inn on the Eel river. Mr. Walter reports the fishing fairly good but below the average because of the dry year.

TAXES

THE tax rate was fixed Tuesday by the board of supervisors. It is a good rate. We have scanned the items carefully and we can see no place where a reduction could have been made. We can see things that might have been added but our county law makers felt that they were doing as much as they should.

The bulk of the money to be raised will go first to schools, second to roads, third to expense of government which includes our police protection and the rest is divided among such other worthy causes as care of the aged and infirm, treatment of those ill who have not the means to care for themselves, for mosquito control so that we may be comfortable and other objects as worthy.

We have enumerated the purpose of the funds. We are proud of our schools. Our boys and girls have the finest educational opportunities to be found. "My tax will be probably sixty dollars on my home this year," a friend said when the rate was fixed. He has a boy in school. The tuition, books and advantages his boy will get for $60 are too many to be enumerated. My friend also has an automobile. The good roads of San Mateo county are worth two or three times his $60 to him. He also told that he had enjoyed a visit to our county park. "It's the finest park in the state," he said. That Memorial Park is worth more to him that the $60 he will pay this year for taxes. Every night when he and his family are sleeping he is getting protection that is worth many times the amount he is paying for it.

Aren't you, gentle reader, glad that we have beautiful schools, and efficient teachers. Aren't you proud of our fine tree bordered roads—of our wonderful county hospital—of our balmy evenings that are free from the siren song of the "skeeter." Aren't you glad that San Mateo county has its wonderful Memorial Park. We are glad for all of these things and we marvel that our supervisors can get so much for their money.

OUR AIRMEN

THE United States has made another record. Our globe encircling airmen have again reached American soil. Over oceans and deserts, over mountains and chasms they have winged their way and they are receiving the honors that are rightly theirs. They are the first aviators to circumnavigate the globe.

The little jaunt cost our country about $5,000,000, but we are told that it was worth it. Science has learned many things by the trip and future generations of flyers will talk of the men who made the first flight.

We really honor these airmen who come back safe and sound. But we do in our littleness of soul doubt the wisdom of the expenditure—for in another paper we read of a negro down in the south who after graduating from a northern university had taken a few dollars that he had earned and after many trials and tribulations had started a school for negroes. His school was a success but his hardships and disappointments were many. But he fought the good fight and now his black boys and girls are going out to fill honored places because of this man and his flight of fancy. He, like the airmen, had dreamed dreams. He had no benificent Uncle Sam who was willing to stake the adventure for $5,000,000 but he won. We don't suppose he will be known in history—in the hearts of countless colored boys and girls for years to come, however, he will hold his place. He probably doesn't want any honor. We are glad our airmen circled the globe, even though the cost was high.

THE REDWOOD CITY WOMAN'S CLUB

THE Redwood City Woman's Club is free from debt. Thursday amidst much rejoicing they burned their mortgage. Now they own, in fee simple, and without incumbrance, a fine piece of property and a well arranged club house, where they may enjoy their afternoons and evenings—in their own home.

Time was when some people thought the ladies were foolish—"the place is too far out," they said. While others remarked that the club house and its mortgage would be a white elephant on the hands of the directors. Now, because the women had faith they own their own home. Its a credit to the community. They can entertain their friends from other cities and states there. They can dance and play cards there—and its all their own.

We rejoice with the Redwood City Womans Club that they have burned the mortgage. We hope that the members will live long to enjoy their club home and the pleasant and profitable times it has in store for them.

ADMISSION DAY

NEXT Tuesday marks the seventy-fifth anniversary of the admission of our state into the Union. Three quarters of a century have elapsed since those hardy pioners, gathered together at Monterey from all parts of what is now California, and argued about what should be the limits of the state they were forming and what should be its laws. But what a change those three-quarters of a century have wrought here in California. San Francisco, then a huddle of tents and board shanties, now the metropolis of the Pecific, the vallies where only gold was sought, now feeding a greater population than lived in any of the states from which those immigrants came at that time. Starting with a handful of settlers, and now the greatest of all states, California's progress has been one of the wonders of the modern world. Californians may well look back with pride upon the seventy-five years of history which has passed over their beloved state.

SUPERVISORS WILL HAVE HIGHWAYS KEPT CLEAN NOW

Taxrate of County Fixed at $2 97 by County Board This Week

The matter of maintaining the highways of the county in a clean and orderly condition was brought before the board of supervisors at the meeting held last Tuesday instead of Monday, that day being a holiday. The matter was brought to the attention of the board by Supervisor Rosalie Brown of the Second township. District Attorney Franklin Swart stated that there was an ordinance now in force making it an offense punishable by law to throw rubish or litter along the highways. The board moved to instruct every constable and deputy sheriff and traffic officer to see this ordinance duly executed.

Telephones were ordered installed in the homes of all traffic officers of the county, to be charged to the sheriff's office. This makes it possible to get in touch with a traffic officer at any time in case of emergency.

A report was received from the comunity hospital showing that there had been an average of over 31 patients cared for in the hospital every day for the month. Of the patients cared for it was shown that 48 per cent were pay patients and 7 per cent paid a part of their expenses. The remaining 45 per cent were free patients. The total cost of the hospital was shown in the report to be $6,114.17 of which $1192.09 was paid for by pay patients.

A petition from the Menlo Park lighting district asking for four additional lights in the district was received and granted. Reports were received from all county officers and an invitation from the city of San Bruno to be present at the Admission Day celebration was accepted by the board.

The matter of fixing the county tax rate for the coming year was taken up during the morning and a tax rate of .297 was fixed upon as the county rate. This is proportioned among the various funds as follows:

Carl Bettin Called by Death

Carl Bettin an old time resident of Redwood City, came back to his old home county on his last journey Tuesday afternoon, and the last farewells were said at Cypress Lawn cemetery by his family and sorrowing friends.

The deceased passed away in his home in San Francisco, Saturday, after an illness of several weeks. To the end he maintained his genial cheerful spirit and be was ready to meet his master, whom he had faithfully served during his whole life.

Carl J. Bettin was born in Germany 58 years ago. When a boy he left the fatherland and came to the United States. He came to Redwood City as a young man. Here he married, made his home and raised a fine family of two boys and two girls. He was one of the most faithful members of the Congretional church and seldom missed a service. He was also a member of Bay View Lodge No. 109, I. O. O. F. and Embarcadero Camp No. 256 W. O. W. and took a great interest in the proceedings of those orders.

Five years ago he accepted a position that required his residence in San Francisco. but he was a frequent visitor here, and maintained his old associations. He leaves to mourn his death, his widow; two sons, George, an orange orchadist of southern California, and Carl of San Francisco; and two daughters, Louise, who teaches in San Francisco; and Alice, who has the domestic science work in the San Maaeo department.

The funeral was from the Mission Park Congregational church, San Francisco, and the pall bearers, all old friends were: George Whirling, Fred Glennan, James J. Rogers, Louis Heiner, Henry Offerman and Berthold Werder.

THE HEINER FAMILY MAKE MERRY

Thirty-four members of the Heiner family spent a pleasant day at the home of Mr. and Mrs. Lawrence A. Heiner on El Camino Real, Sunday afternoon. The occasion was planned as a farewell to Miss Dorothea Madsen of San Jose, who left this week for the East to continue her studies as a trained nurse. It developed into a wedding celebration, however as four members of the family have married within a month. They were Miss Jean Marsen who was married in San Jose; Harold O. Heiner who was married in San Jose; Mrs. Aimee Rice who was married to Al Kauffman and is now on her wedding trip and lastly Mrs. Marie Carr, who was married last week without telling her friends and is now Mrs. C. W. Page.

Among those who attended were: The Madsens of San Jose; the Heiners of Redwood City; the R. F. Chilcott family; Mr. and Mrs. Page; Mrs. Henrietta Jacobus; Mr. and Mrh. E. Bird and family of Alameda; and Daniel C. Mullen.

William T. Carleton

This veteran of the stage and the "movies," one of the popular leading men in pictures, was one of the world's leading baritones for many years. Mr. Carleton was born and educated in London, England. He began his public career as an opera singer, later turning his attention to motion pictures.

Famous Ancient Tapestry

During the year 1748 a quantity of beautifully executed tapestry was discovered in the cathedral of Bayeux, near Cannes, France. It is said to be of the Eleventh century, the work of Matilda, wife of William the Conqueror, and ladies of her court. The tapestry, which is 214 feet long and 20 inches wide, contains 72 sections, each of which represents a scene in the life of the Saxon King Harold from the time of his visit to the Norman court to his tragic death in the battle of Hastings. In these scenes are 1,522 figures. In 1803 Napoleon, contemplating an early invasion of England, had the tapestry removed to Paris, where it was exhibited at the National museum. The following year it was returned to Bayeux.

Frisky Filly

'Miss Sarah is "getting along in years," a fact she is unwilling to admit. She wears very youthful clothes; she has been described by a facetious neighbor as "sheep dressed lamb-fashion." And sometimes when the world pushes her into a niche where it thinks she belongs, Miss Sarah rebels.

One day she was talking merrily to a party of young girls. Her cheeks were pink and her little curls fluttering. She laughed a great deal.

"Oh, Miss Sarah," at last exclaimed one of the girls innocently, "how gay you must have been in those days!"

"Have been?" repeated the lady, indignantly. "Have been! Well, I'd have you know I'm not a centurian yet!"—Los Angeles Times.

CARD OF THANKS

I wish to take this opportunity to thank the people of the 11th Senatorial District for the generous support given me during the recent primary election and assure them that I will continue to carry on the work of the office to the best of my ability.

M. B. JOHNSON

George McNulty, Jr., narrowly escaped serious injury last Sunday when he fell from a tree from which he was cutting some limbs on his father's lot in Sunnyside. Young McNulty fell directly upon the ground and was rendered unconscious for some time. He sustained no serious injuries, however, and is as well as ever now.

Food spoils at 50 degrees!

Food decay actually begins in most perishable foods at 50 degrees. Immediately such food begins to lose its nutritive value. Bacteria are breeding—multiplying by millions. This often causes sickness—especially among children. There is one safe, certain way to avoid such risks. Use ice *all the year round!* It's the cheapest and safest health protection.

IN 20 years the resources of the Bank of Italy have multiplied more than 1,000 times!

Why?

California *needed* a statewide banking institution to aid in financing its varied agricultural, horticultural and other allied interests. The Bank of Italy has met that need.

Bank of Italy management, methods, policies and metropolitan facilities have *appealed* to the public.

These are a few of the basic reasons for the remarkable growth of California's largest bank.

This bank through its Trust Department acts as Executor, Administrator, Guardian, Trustee, Agent, Escrow holder and in all other trust or fiduciary capacities.

Winged Death Rocket Sprays Red-Hot Metal

London.—A winged incendiary rocket, which the inventor, Ernest Welch, declares will spread a rain of molten metal over wide areas with devastating results has been given preliminary tests with satisfactoy results, according to persons who were present. Full government tests are to be made shortly.

The British, French and American governments have displayed interest in the invention, it is declared, and a definite offer is reported to have been received from America. Mr. Welch asserts that the explosion of the rocket will destroy everything in its range, penetrating even steel and asbestos.

Tools of Insect World Surpass Those of Man

Most of the articles in that great chest of tools that man's inventive genius has contrived were invented by the insect world before he fashioned the first, writes Ernest Bade, Ph. D., in Popular Science Monthly. Moreover, man's tools are usually inferior in precision and versatility.

Saw, pliers, brushes, augers, hooks, hammers, knives, lancets—all of these and yet other tools are in the insects' remarkable chest. Nature attached them to the insects' bodies—to the legs, to the head, to the abdomen, wherever they were needed. They are made of chitin, a material that, unlike the metal tools of man, resists the action of water and the milder acids. The insect tool chest is truly complete, one of its wonders being the closeness of the resemblance of the articles it contains to the tools that man has been so long in fashioning.

The Word "Jovial"

The word "jovial" conceals the name of Jupiter, or Jove, according to the Washington Post. A "jovial" person is theoretically, at least, a person born under the influence of the planet Jupiter, or Jove.

The planet was supposed to be the most joyful of all the planets to be born under, just as Saturn is the least joyful.

Gradually the word "jovial" became dissociated from the astrological significance, and was generally applied to persons who indicated the quality of joyfulness ascribed to birth under a joyful planet.

Thus many a word in the English language in common use, traces its origin to mystic beginnings and beliefs in the darkness of the past ages.

NEWS OF MENLO PARK

Judge Charles A. Shurtleff, who has been confined to his home for the past month with a severe attack of the grippe, was able to resume his law practice the fore part of the week. The judge has a large and lucrative practice in San Francisco.

Harry Moore, son of the late Charles Moore, visited his aunt, Mrs. Cora Parker, here during the week. Young Moore was born and raised in Menlo Park, but left in his youth for San Francisco. He has just returned from a two years' trip around the United States as travelling auditor for the Swift Packing Company of Chicago. Young Moore is a tall, handsome man, who was not recognized by his school boy chums here of twenty years ago, when he greeted them this week. His father was foreman plumber for the P. I. Company and as such had charge of all the railroad work in the state and had charge of the plumbing work done on the Stanford University buildings. Moore, Sr. was well known in Menlo Park thirty years ago.

Last Sunday at his home here, Charles Holbrook, the capitalist and the senior member of the firm of Holbrook, Merrill and Stetson, observed his 94th birthday anniversary by an afternoon tea. Only relatives and a few intimate friends were present at the function. During the day Mr. Holbrook received numerous letters and telegrams felicitating him and wishing him many returns of the day. Mr. Holbrook is one of the best known and best liked men in the state. In the early days of San Francisco Mr. Holbrook was the pioneer in upbuilding and improving the city.

If you want a good time don't fail to attend the old-fashioned dance to be given by the Menlo Park Improvement Club in Duff and Doyle hall this evening. The dancers will be regaled with the latest songs during the intermission between dances.

Mr. and Mrs. John Doyle returned during the week from a three months' trip to Canada, where they visited the home of Mr. Doyle. This was Mrs. Doyle's first visit north and she enjoyed every minute of her journey. The young couple saw nearly all points of interest in the British territory.

Born—To Mr. and Mrs. Victor Lightbody of Menlo Park, Sunday evening, August 31, a daughter.

The Crystal barber shop, James Artino proprietor, took on an unusually attractive appearance on election day. One of the precinct elections were held there and the officers were greeted with sweet smelling flowers that decorated the entire shop. Mr. Artino, the enterprising tosorial artist, wanted to show his appreciation for the selection of his shop as a polling place that he went to considerable expense in expressing his thanks with flowers.

Major General Devol and Mrs. Devol have returned from an extended European trip and are again occupying their attractive home on Santa Cruz avenue. Arthur Sharp who occupied the home all summer has returned to the city.

Fred Nessler has returned from a deer hunting trip in the wilds of Mendocino county. As an evidence that he shot a buck he brought with him a pair of antlers. He says that the antlered beauties are quite plentiful in that locality.

For the first time in many years the Searsville lake has gone dry. The bed of the lake is covered with a slimy mass of mud and slickens and innumerable dead fish. A good winter's rain will wash this down the creek to the waters of the bay. For some unknown reason the younger generation believe that the lake was the site of the defunct town of Searsville that flourished more than a half century ago. This is a mistaken idea for the town was located at the forks of the road about a half mile north from the lake. There were a few houses close to the lake, but the town proper was on the sloping hills where the roads now intersect.

Mr. Krauer, one of the proprietors of Triumph Cafe, is erecting a neat bunglalow on his property in the Valparaiso tract facing on Oak Grove avenue. It will cost when completed the sum of $5,000.

Mrs. John MacBain was taken to the Dante hospital in San Francisco during the week. Late reports from the institution indicate that she is improving and will soon be convalescent. Her many friends in Menlo Park will be pleased to learn of the good news.

The ladies of the Church of the Nativity netted the sum of $250 at their rumage and food sale on Friday and Saturday last. The ladies work diligently and their efforts were crowned with success.

The disappearance of Robert Quilfelt and Robert Bruce Fredericks aged four and four and a half years respectively on Monday evening threw the town into quiet a commosion. The youngsters started down to the Middlefield road late in the afternoon on Bobbie Frederick's coaster, going to the San Francisquito bridge into Palo Alto, they stopped at the grammar school grounds to play on the slides and swings. Growing dark they started home but got frightened and began to cry. On the road side in front of the Dudfield residence they were found by George Murray who conveyed the young hopefuls to their distracted mothers. Late in afternoon their disappearance was discovered by their parents and at once searching parties were organized to search for the missing youths. At 8 o'clock the fire alarm was rung in and the whole town turned out to make a search for t' boys with the result as above noted. Both Bobbies were scared, frightened but none the worse of their experience. Most likely very many of us have had similar trials in our youthful days.

After a protracted illness Miss Helen Joulie, a gentle, pure, sweet girl, passed to her heavenly reward last Saturday morning at her home in University Heights, surrounded by her family. The passing of the beautiful nurse was peaceful, she being resigned, ready and prepared to go fourth to meet the awaiting angels that accompanied her pure, white soul to the eternal throne there to meet the welcome of her divine master and to hear the glory of His praises and to listen to the celestial singing of the Angelic Choir for all eternity in her heavenly abode, the fruits of a well-spent life here on earth. The departed came to Menlo Park as a child having been born in San Franisco on March 12, 1898. She was a young woman of piety. She was laid away in Holy Cross cemetery Monday morning, following a requiem mass in the Church of the Nativity.

She was a daughter of the late Benjamin Joulie, whose death occurred only a few months ago, and Euphrasie Joulie. Two sisters, Mrs. Louise Hebert and Miss Angel Joulie, and a brother, Rene, survive her.

Through an error in the election returns last week the result for precinct No. 2 of Menlo Park was transposed. The returns for this precinct should have been MacBain, 102; Dearborn 6; Walsh 45.

BABY BOY BRINGS JOY

The home-coming of absent loved ones has been for generations, and it might be said, from time immemorial, an occasion for happy felicitations, congratulations and mirthful enjoyment, but when Mrs. George A. Genochio returned yesterday to the cozy cotage home of herself and husband at 237 Washington street, in this city, after a two weeks' sojourn at the Peninsula hospital in Palo Alto, bringing with her a great big dark haired, blue eyed baby boy, the spontaneous outburst of enthusiasm from the relatives, friends and neighbors of the happy couple was so generous and sincere that in the years to come they can both look back with genuine pleasure upon an event which has crowned their lives with supreme happiness.

The little stranger arrived from babyland on the 2nd of last month, and ever since that date the proud father meets all comers with a hearty handshake and a broad smile, the significance of which cannot be mistaken and while he admits that baby Genochio has not become accustomed to the many strange faces about him, he still insists that the little fellow knows the difference between a Winchester pump shotgun and a Remington automatic, and that he will be able, in a very short time, to start the engine of the launch "Oakwood," provided, of course, no objection is made by a little woman who will some day, in the not too distant future, have her heart filled with joy by the word "mother' lisped from the lips of the baby boy both she and her husband love so well.

CHARGES CRUELTY IN SUIT FOR DIVORCE

Charging extreme cruelty and abuse, Mrs. Josephine James of this city has filed suit against her husband, Jesse James. Mrs. James declares that her husband threatened to kill her if she not get a divorce. She also alleges that he abused her four children by a former marriage, and that he called her vile names in public and in other ways abused and humiliated her. The two were married on August 13 of last year and separated last April. They have no children nor community property.

What does it cost to heat your home?
FIRST of all, was your home comfortably heated at all times last winter or was it just barely warmed now and then?
You can heat your home just as economically with gas as with any other fuel, besides enjoying the additional advantagse of convenience and comfort.
With a gas heating system your home is heated throughout cold days or on chilly mornings and evenings just as you may desire.
The cost is just the total of your gas bills less a reasonable amount for cooking and water heating. Our records show this to average less than $60.00 for the entire heating season for many five and six room homes.
There are gas radiators, radiant heaters, warm air furnaces, steam, and hot water boilers which you may install to economically heat your home.
